

MOUNT FAITO

Mountain trekking through an ancient beech forest, offering great spots on the Vesuvius and the bay of Naples.

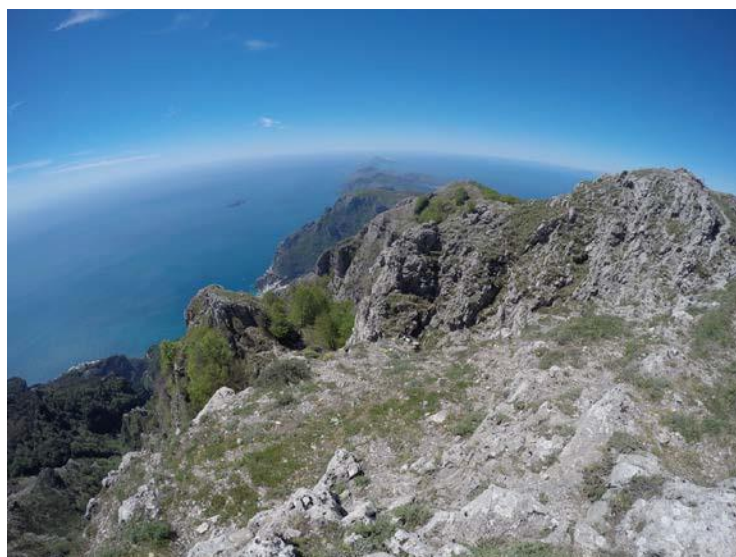

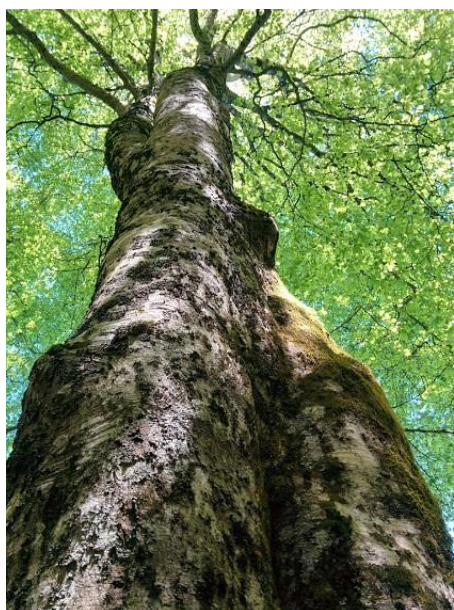

TECHNICAL DATA:

Start	Vico Equense - Monte Faito	Difficulty	Moderate
Arrival	Vico Equense - Monte Faito	Length	6 Km
Hours	5	Drop	+450 / -450 m

Beautiful hike on mount Faito, the highest peak of Naples District. Here you can see the old "neviere", man-made holes to preserve snow when the fridge didn't exist. The path goes through woods of beech trees, and from the mountain top you can enjoy the circular view over Positano, Sorrento Peninsula, Capri and Mount Vesuvio. Then the path easily goes back to the starting point.

Highlights:

- Monumental beech trees
- 360° view from the top
- Unusual view above Positano
