Wildlife Adventures deals with hiking and trekking, and promotes the environmental knowledge of Central Apennines. Wildlife Adventures is an Italian partner of Rewilding Europe and Rewilding Europe Travel Club.

In case of selection of more hikes, Wildlife Adventures can suggest accomodation services, B&B, partner hotels with average room rates of € 45 (half-board: accommodation, breakfast and dinner) in double room. Single room supplement of € 15.

Proposal for hikes and trekking during July 2018 in the Abruzzo, Lazio and Molise National Park

GIANT BEECH TREES HIKE

Hike until sunset through the Pesco di Lordo beech forest, a world heritage site, surrounded by monumental trees of the Abruzzo region. This primeval forest edge characterized by a complex structure is included in the UNESCO conservation program "Ancient and primeval beech forests of the Carpathians and other regions of Europe".

Focus on several entomological aspects related to saproxylic species and mainly on *Rosalia alpina*.
