

AMALFI WATER MILLS VALLEY

Path with high naturalistic value, between ruins of old paper mills, prehistoric ferns and the magnificent hamlets of the Amalfi Coast

Start		Amalfi
Arrival		Amalfi
Hours		4

Difficulty		Easy
Length		5 Km
Drop		+230 / -230 m

Following river Canneto, walk among lemon groves and the ruins of Medieval paper mills, you will reach the nature reserve Valle delle Ferriere (foundries valley), where rare botanical species can be found, in a fairy-tale atmosphere surrounded by waterfalls. The path passes by the medieval hamlet of Pontone, one of the oldest settlement of the Amalfi Coast, and ends in the center of Amalfi.

Highlights:

- o Walk through the industrial archeology of the Maritime Republic of Amalfi
- o Nature reserve "Valle delle Ferriere"
- o Botanical species of the Ice Age Era
